REPOSSESSION & HOLD HARMLESS AUTHORIZATION

This authorizes you to reposses and impound the above-described collateral which is covered by a defaulted installment contract or lease agreement. We name Repo-World.com as our exclusive agents for repossessing said collateral described above. Meaning that any agent we have previously engaged is no longer authorized to repossess this collateral unless they are subsequently authorized to do so by Repo-World.com.

We agree to indemnify, defend, and save you harmless from and against any and all claims, losses and actions, except for your unauthorized efforts and/or actions which may be acts of our company, employees, its officers or agents. We understand that ICU, INC. under it's corporate charter, is bound by the laws of the State of Nevada, and it's services are rendered subject to the jurisdiction of the laws of that state.

Should the collateral be found with repair charges and or storage charges incurred in such an amount that they exceed our estimate of the value of the collateral, Repo-World.com's fee will never exceed the salvage value of the collateral or we will tender a negotiable title to the collateral in lieu of your fees. I understand that I will be charged a percentage of the vehicle value for skip tracing. I also understand this is a contingent repossession and I will not be charged unless the vehicle is repossessed, as described at http://repo-world.com/repossession.htm. We will pay a $100.00 closeout fee if we cancel this repo assignment within ninety days.

It is agreed that if the debtor or his agent(s) should surrender the collateral to anyone else during the term of this agreement it will be deemed to have been repossessed by Repo-World.com. Anyone else is understood to mean but is not limited to, body shops, police impound lots, other repossessors or to any facility under our direct or indirect control. Your immediate efforts in this matter will be appreciated.
